

# Vertical Panel Saws

## 2000 SERIES

Hypoid Saw on a Spinning Insert

Sealed Steel Roller Bearings

Steel Sleeve Material Rollers

Measuring System

### Product Description:

This machine is designed for production shops that are cutting 50 or more sheets a week or very hard material. The 2000 Series panel saws include a heavy duty Makita Hypoid saw. This 15 amp. saw has similar power to a worm drive saw without the need to constantly change the oil that lubricates the bearings. Steel Sleeves over the rollers act as armor to protect the plastic rollers from cracking. This series is ideal for customers that need to break down a large volume of sheet goods up to 1 3/4 inch thick with precision cuts.

Standard features include a heavy duty Makita Hypoid saw on a spinning saw insert, the best dust collection possible, an easy to open & close folding stand for complete stability while in use and steel sleeves to prevent damage to the material rollers. This 10 ft. frame provides an unlimited rip cut capability.

### Available Fullsize Models:

**52" Cross Cut Model# 2052**  
MSRP: \$3799

**64" Cross Cut Model# 2064**  
MSRP: \$3999

**76" Cross Cut Model# 2076**  
MSRP: \$4199

### Standard Equipment:

Accu-Glide sealed bearing system  
Accu-Square Alignment System  
Quick Change Carriage  
Spring Loaded Retraction Mechanism  
Powder coated welded steel frame  
11 Gauge Steel Guide Tubes  
Saw Cord Holder

### Package Includes:

Makita 5377 Hypoid Drive Saw  
Spinning saw insert plate  
Dust hood, blade brush  
12 ft. dust hose, 2.5" coupler  
Folding Stand and Wheels  
Steel covered material rollers  
Dual Rip Gauge  
Stop, Bar, and Measuring Tapes

### Optional Accessories:

Full Mid-Fence  
Floating Router Plate  
Full Builder's Extensions  
Laser Pointer

Our patented Accu-Square alignment system assures that your machine will never go out of square and our unique sealed roller bearing system provides for smoother carriage action and tighter tolerances.

For customers looking for accurate, repetitive cuts of 50 or more sheets a week, nothing beats Saw Trax Mfg., Inc.'s Hypoid Drive Panel Saw. Contact us today for more details.
