

Saw Trax Carts

Can you afford to have 2 men do a 1 man job?

Panel Express

Available Models:

Panel Express Cart
SKU# PE

Options:

Shelf
SKU# PEPsL

Tool Box
SKU# PETB

Simply set your substrate down into the Panel Express and the rubber lined clamp automatically clamps the piece. Need to carry more sheets? Lock the brace open and load up to 3" of substrates in the clamp and stack your additional sheet goods on the optional shelf.

Includes 5" locking casters for easy loading or unloading on a sloped driveway; a convenient handle for moving the cart when empty; and maintenance-free 12.25" foam tires that never go flat or need air. The Panel Express delivers a 700lb. capacity! Great as a drywall cart, glass cart, granite cart, door cart, plywood cart and more.

IDEAL FOR: Exterior / Interior Rough Terrain

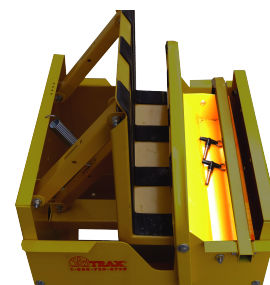

Convenient Handle

For moving
when empty.

Option: Pivoting Shelf

Carry an extra 14
sheets!

Option: Storage Box

Store tools &
straps.
