- 18 vertical and 8 horizontal post positions
- Base: 30"L x 25"W x 9.75"H
- Weight: 94lbs

The Raised Safety Dolly features all the benefits of the standard yel-Low Safety Dolly, but incorporates our "Hi-Low Kit" raising the cart higher to allow for both outdoor and indoor use over a variety of hard terrains.

The raised version is designed more for outdoor remodeling/construction use. The Raised Safety Dolly comes with brakes on wheels, and brackets for mounting wheels to the corners of the cart.

The all-steel, US-made uni-body box carries up to 1000lbs. It can carry mattresses, headboards, desks, sofas, chairs and most items up to 1000lbs. With a powder-coated steel body, the Raised Safety Dolly is suited for any rough job.

The Raised Safety Dolly model has 4" locking casters at the corners, which raise the cart up. Equipped with six 56" posts to enhance all moving needs, each post can be easily moved from the 18 vertical and 8 horizontal post positions.

Raised red 4" locking casters
