

Reacher & Reacher HD

DOILY TRAX

SAW TRAX

The Reacher pole ends help your business stay efficient. They can be used to easily reach objects such as boxes on shelving or to clear a conveyor belt jam, and more. Compared to other industry standard reach poles, the Reacher pole ends are a cost-effective alternative. More information available upon request.

The Reacher HD can pull up to 250 lbs.

Reacher HD Product Page

Reacher Product Page
