

# BUCKET PULLER

Category: Hand Tools

Model: BktPlr

Brand Color: Safety Yellow & Black

Release: 2025

The **Saw Trax Bucket Puller** delivers the leverage you need to pull, lift, or carry buckets and containers without strain. Its ergonomic hook design ensures comfort and control, while the durable finish protects against rust and corrosion.

## HIGHLIGHTS & BENEFITS

### Heavy-Duty Construction:

Built from 17GA galvanized steel tubing for maximum strength.

### Ergonomic Hook Design:

A precise bend provides maximum leverage and comfort when pulling or lifting.

### Rust-Resistant Finish:

Powder coat ensures long lasting durability in tough environments.

### Safe Handling:

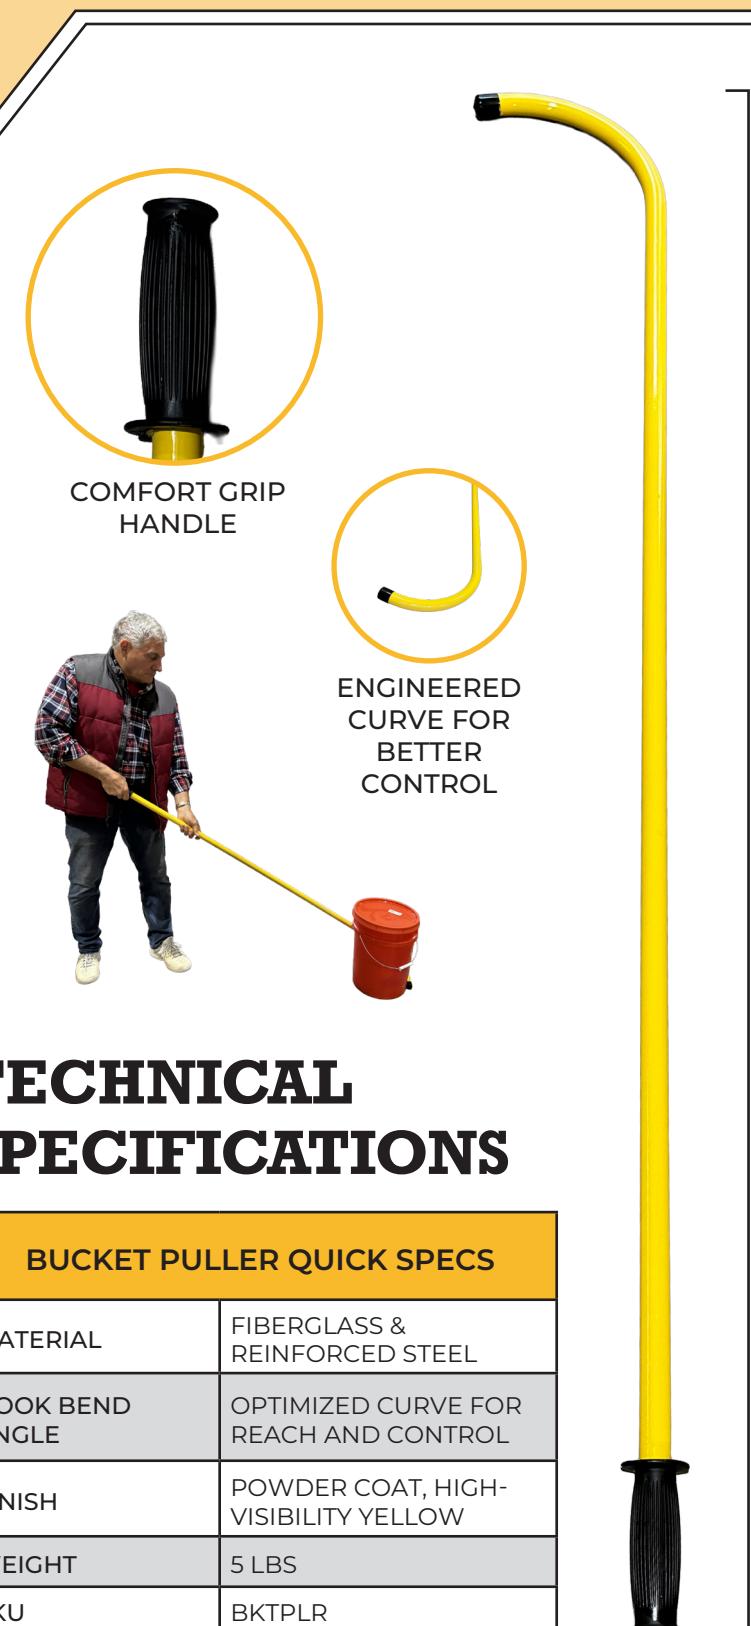

Smooth edges and comfort grip prevent damage to buckets and protect your hands.

### Time-Saving Tool:

Reduces effort and increases efficiency when moving heavy or awkward buckets and containers.

### High-Visibility Yellow Finish:

Easy to spot in busy workspaces, improving safety and workflow
