

REACH-NEST HOLSTER

Category: Hand Tool Accessories
Model: PR Nest
Brand Color: Safety Yellow
Release: 2025

The Saw Trax Reach Nest Holster is designed to keep reacher tools securely stationed on rolling ladders or lifts. It improves safety and efficiency by ensuring tools are always within reach: no more leaning, climbing down, or juggling packages and poles.

- **Productivity Gains:** Merchandising and warehouse tasks are streamlined.
- **Universal Fit:** Works seamlessly with Saw Trax reach tools and adapts to most ladder/lift setups.
- **Durable Build:** Industrial-grade construction stands up to daily warehouse and retail use.

HIGHLIGHTS & BENEFITS

Safety First: Prevents overreaching and reduces risk of falls or tipping platforms.

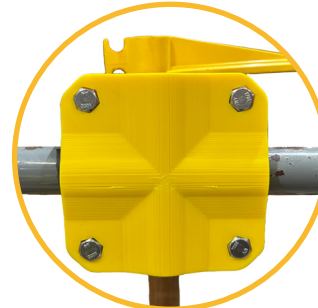

Hands-Free Climbing: Keeps both hands free when ascending ladders or lifts.

Efficiency Boost: Saves time by eliminating trips down ladders to grab tools.

Workflow Ready: Reach tools are pre-positioned exactly where you need them.

**VERTICAL
MOUNT OPTION**

**HORIZONTAL
MOUNT OPTION**
