

# TRUCK BED REACHER

Category: Hand Tools

Model: PPEHD95

Brand Color: Safety Yellow & Black

Release: 2025

The **Saw Trax Truck Bed Reacher** is your heavy duty solution for pulling and hooking items without climbing or straining. Built tough with fiberglass and reinforced steel, it extends your reach across truck beds, shelves, and overhead spaces- all while keeping you safely on the ground.

- **Save Time Retrieving Gear** from truck beds or shelves.
- **Work Safer** by staying grounded: No ladders needed.
- **Do more with one tool:** Trucks, shops, events, docks, and more!

## HIGHLIGHTS & BENEFITS

**Telescoping Reach:** Extends from 51" to 95" for maximum versatility.

**Heavy Duty Build:** Fiberglass + steel construction resists flexing, stays lightweight.

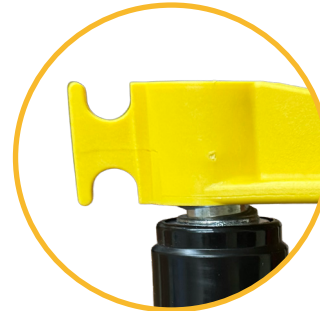

**3- Function Head:** Pull, lift wires, and hook items with one tool.

**Safety Yellow Finish:** Easy to spot on job sites or in busy shops.

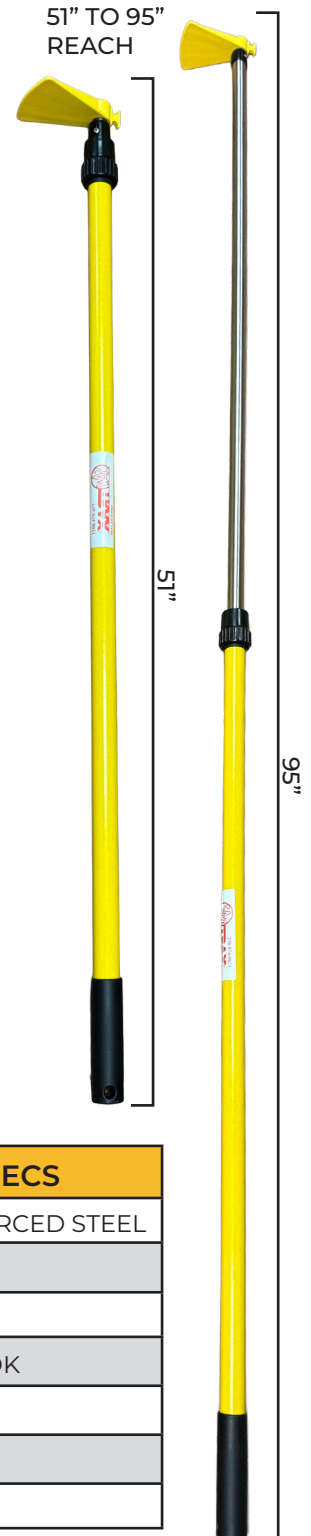

**Ergonomic Grip:** Designed for comfort and control

TWIST-LOCKING MECHANISM

DUAL PRONGED HEAD
