

RACK & ROLL SAFETY DOLLY

The **Rack & Roll Safety Dolly** delivers all caster zero-turn maneuverability in a low profile frame. Built on the same sturdy steel platform as the yel-Low Safety Dolly, it adds 4" casters mounted at the corners, making it the ideal choice for both smooth indoor floors and uneven outdoor terrain.

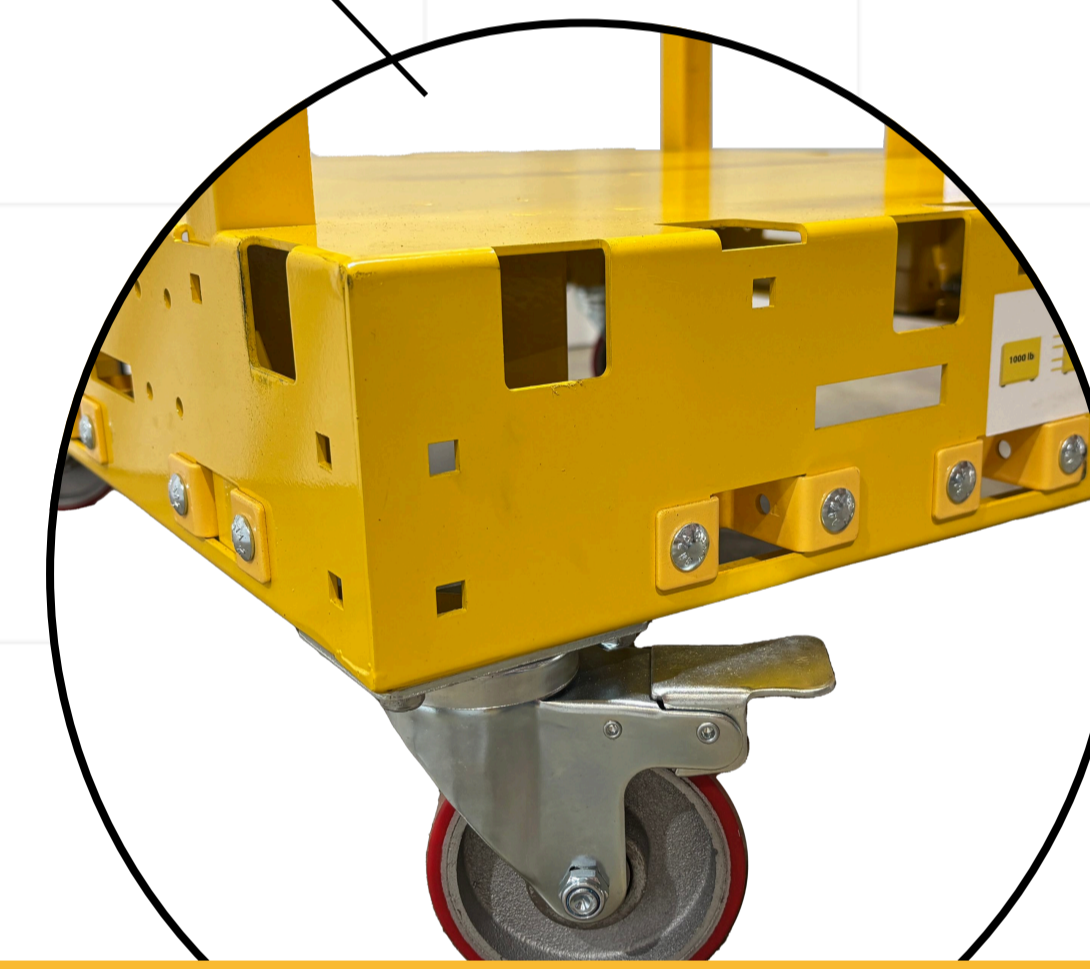

HIGHLIGHTS & BENEFITS

- **Zero-Turn Radius:** Navigate tight aisles, trucks, and crowded shops
- **1,000 lb Capacity:** Move more material in fewer trips
- **Eight 56" Steel Posts:** Configure vertical or horizontal to secure any load.
- **18 Vertical + 8 Horizontal Slots:** Adapt to sheet, roll, or mixed materials
- **Locking Casters:** Full control on uneven or busy floors
- **Compact Footprint:** Fits rental trucks and tight job site paths

Base Model

Hold up to 12 signs at once!

Each Wheel has 1 Foot Brake

Posts can be Used Vertically or Horizontally
