

# REACH-NOW HOLSTER

## POCKET REACHER HOLDER

### PRODUCT DESCRIPTION:

The Reach-Now Holster keeps your Pocket Reacher locked in, oriented right, and always on your side. No more setting tools down. No more backtracking. No more wasted motion. Just grab, place, and move.

### CARABINER GUIDE

- **WING:** Use when Reacher is Parallel with User's Side. On belt loop.
- **TAIL:** Use when Reacher is Perpendicular to User's side. Directly on Belt.
- If Reacher is backwards, reverse the Carabiner
