

JUST-RIGHT REACH POLE SERIES

4' TELESCOPING REACH TOOLS for Warehouse & Retail Operations

The **Just-Right Reach Pole Series** delivers controlled 4' telescoping reach for resets, deep-rack pulls, and overhead retrieval.

- Lightweight Aluminum Construction
- Black Plastic Twist-Extend Sleeve
- 4-Rivet Head Connection

**Built for Strength, Reach,
and Real-World Use.**

HOW IT IMPROVES WORKFLOW:

- ✓ Easy Configuration & Retrieval
- ✓ Reinforced Durability
- ✓ KIT: Eliminates Strain & Climbing

STANDARD EQUIPMENT:

- ✓ Aluminum telescoping pole
- ✓ Standard or Heavy-Duty Head
- ✓ KIT: Reach-Nest + Hardware

OPTIONAL ADD ONS:

- ✓ Reach-Now Tool Holster
- ✓ Pocket Reacher (Standard + HD)
- ✓ Reacher Liberator (HD)

JUST-RIGHT REACH KIT

The series offers **Just Right Reach Kits** that come with a **Reach-Nest**. This storage tool mounts **vertically** or **horizontally** on 1"-1.25" round or square tubing, so it fits most rolling ladders and lifts without fuss. It can also be mounted to wider tubing (up to 2.5") by using longer bolts.

Optional: Kits come with your choice of Reach Pole + a Reach-Nest Holster

Vertical Mount
