

3Triever Reacher Tool

Heavy-Duty Telescoping Aluminum Pole with 3 Segments

The **3Triever Reacher Tool** offers extended reach and strong pulling power for tough shop and industrial tasks. Its three section aluminum telescoping pole stretches from 31" to 74", reaching tight spots without bending or moving. The reinforced ABS, fiberglass, and steel head pulls up to 200 lbs., or 100 lbs. with the pole. It best used for reaching items within garages, workshops, and production floors.
