

Double Dolly

Adjustable posts allow customization

Move More. Organize Better. Reduce Labor.

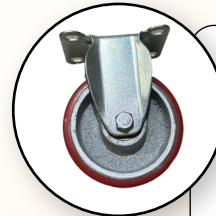

Base Model

High-Capacity Vertical Transport for Busy Shop Floors

The **Double Dolly** is engineered for industrial environments that demand speed, organization, and durability. Built from two combined dolly bodies, this unit doubles your vertical storage efficiency while maintaining a compact footprint ideal for truck loading, shop staging, and production-floor flow.

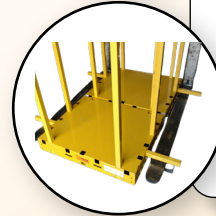

BUILT FOR **EVERY** TRADE

- Millwork
- Fabrication
- Distribution
- Logistics
- Construction
- Glazing
