

HD Telescoping Reacher

Heavy-Duty Telescoping Reach Tool for Deep Truck-Bed Retrieval

The **HD Telescoping Truck Bed Reacher** is your heavy-duty solution for pulling and hooking items without climbing or straining. Built tough with fiberglass and reinforced steel, it extends your reach across truck beds, shelves, and overhead spaces- all while keeping you safely on the ground.

Dual-Anvil Head

Pull and Lift with this Reach Head

Reinforced Steel Core

Built for Max Strength

Twist-Lock Mechanism

Safety Yellow Powder Coat

BUILT FOR REAL-WORLD STRENGTH

Smooth, rounded edges and a secure comfort-grip handle keep hands protected during extended reaches, preventing scrapes and avoiding damage to cargo.

Built as a time-saving reach tool, the HD Telescoping Reacher cuts effort and speeds up retrieval of items deep in *truck beds* or *hard-to-access spaces*. Its high-visibility safety-yellow finish makes it easy to spot in busy loading areas, improving workflow, reducing strain, and keeping operations moving efficiently.
