

Job Site Shuttle Dolly

The ideal solution for many job site needs

Ready for All Terrain

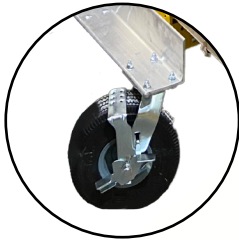

Carries most anything on terrain that other carts can't go on!

The **Manual Jobsite Shuttle Dolly** moves sheet goods & heavy materials across rough terrain with stability and control. It handles drywall, plywood, doors, windows, cement bags, roofing tiles, lumber, blocks, and piping using its adjustable post system. Rugged tractor tires and flat-free casters keep loads balanced on dirt and uneven ground, making it a dependable final-mile solution.
