

Reach-Now

Quick-Draw Holster for Fast, On-Demand Reach Tool Access

The **Reach-Now Holster** keeps the Pocket Reacher secured to the worker. By eliminating hand-carried tools during climbs, it directly supports ladder-safety standards requiring three points of contact. The hardened ABS body and dual-angle mounting loops deliver a smooth, one-hand draw and re-holster. Two included 3" carabiners attach in seconds, keeping the tool visible, accessible, and in circulation throughout the shift.

2 carabiners

support

**PERFECT FOR RETAIL MERCHANDISING &
WAREHOUSE STOCKING**

The **Reach-Now Tool Holster** supports ladder-safety standards by keeping the Pocket Reacher secured to the worker's body, preventing one-handed climbs, tossed tools, and overreaching when the tool gets left behind.

- ▶ **HANDS-FREE CLIMBING:** Workers maintain three points of contact.
- ▶ **INSTANT TOOL ACCESS:** No more climbing down to grab a reach pole.
- ▶ **DROP PREVENTION:** Hardened ABS withstands constant movement & damage.
- ▶ **HIGH VISIBILITY:** Safety Yellow ensures product visibility across shops and storage.
